

Principal's Welcome

Welcome to St. Mary of the Assumption Catholic School.

If you

- are new to our school,
- have a precious child from the age of three through eighth grade
- wish for that child to become the best person possible,

please consider joining us on an adventure in education unlike any other in Noble County.

As you visit our tuition page, please remember that you cannot find a better investment opportunity for your money than a St. Mary's education for your child. The dividends will far exceed your expectations and will last well into eternity. We know this to be true because we have been educating students since 1863 and have the testimonials of many generations of St. Mary's students. In my 25 years of service at St. Mary School, I have been blessed to see our graduates move on to area high schools. There, our former students are noted for their respectful attitude toward their teachers, a willingness to be of service and a strong work ethic in academics and extra-curricular activities. Do not miss the opportunity to become part of our proven tradition.

Our school boasts of:

- a family atmosphere welcoming all families including non-Catholic families;
- the highest ISTEP+ scores, including Science, in Noble County with a significant percentage of students passing with a Pass + score;
- alumni excelling in local high schools and colleges throughout our nation;
- small class size with differentiated learning for each student;
- highly educated and dedicated staff with a student/staff ratio of 13:1;
- an opportunity for every student to learn basic piano skills;
- a fully automated media center with a new state of the art computer lab for 21st century learning;
- a love relationship with God for each student and staff member;
- strong daily character formation for students and staff based on Gospel Values;
- unlimited opportunities for prayer for individual intentions throughout each school day; and
- twice-weekly opportunities for an all school liturgy.

If you are part of our St. Mary's family, I hope you enjoy our site and find all the information you need. Please always remember that you are a treasured and unique part of the Body of Christ and St. Mary School. We value each of you, parents and children. Together we shall continue to build the Kingdom of God in our community through educating His children to be lights for our world.
