## ALUMNI DATABASE PROJECT

St Mary School is in the process of compiling an alumni database. If you are a graduate of St. Mary School, we would like you to provide us with the information below so that we can update our records.

Volunteers are needed to help load the completed forms into an electronic spreadsheet and also to locate missing classmates. If you are interested in helping with this project, please indicate below.

Thank you in advance for your cooperation concerning this project.

Mrs. Lynn Durbin  
St. Mary School Board Member  
Alumni Database Committee Chair
